

DECLARATION OF CONFORMITY

Item: 100475 - Bottle, 20/410, 150 ml, screw on, white, cylindrical, brimful capacity 160 ml, PE - PW bottle

This declaration of conformity is issued under the sole responsibility of the manufacturer:

- Based on the manufacturer's documentation, we declare that the packaging material specified above complies with the relevant EU harmonization legislation referenced in this declaration.

Object of the declaration

- Material:** 98% HDPE (High-density polyethylene), type: HDPE BS 501-17 + 2% White masterbatch Maxitehn HP13301
- Application area:** Packaging for household chemical products, cosmetics, or non-food liquids.

Referenced Union harmonization legislation:

Regulation (EU) 2025/40 on packaging and packaging waste (PPWR).

References to the relevant harmonized standards used or technical specifications:

- Design for Recycling:** Complies with the criteria set out in Annex II of Regulation (EU) 2025/40 (achieves recyclability category "A-C"). The applied material (HDPE BS 520-14 and masterbatch) is certified to be recyclable in existing European separate collection and recycling streams.
- Heavy metals and hazardous substances:** The heavy metal content of the bottle (sum of lead, cadmium, mercury, and hexavalent chromium) does not exceed the limit of 100 mg/kg (PPWR Annex II, Part I). No PFAS compounds exceeding the statutory limit were used in the manufacture of the product.
- Packaging minimization:** The 62 g bottle weight is certified to have been optimized to the functional (safety, logistical, and rigidity) minimum in accordance with Annex IV of the PPWR.
