BISPHENOLS

Where applicable, available supplier declarations and/or laboratory reports support compliance with Regulation (EU) 2024/3190 regarding bisphenol substances, including BPA, BPS and BPF, insofar as the regulation applies to the intended use of the packaging.

This declaration:

• is based on the latest available supplier declarations or technical documentation;

• does not replace compatibility testing between the packaged formulation and the packaging;

• does not replace migration testing where legally required;

• will be reviewed if legislation or supplier documentation changes.
