Based on the compliance documentation issued by the suppliers of the raw materials used in the production and the information available:

- the raw materials used do not contain intentionally added per- and polyfluoroalkyl substances (PFAS) and comply with the requirements set out in **Article 5(5) of Regulation (EU) 2025/40;**

•the raw materials used comply with the heavy metal restrictions set out in Article 5(4) of Regulation (EU) 2025/40, so that the combined concentration of lead (Pb), cadmium (Cd), mercury (Hg) and hexavalent chromium (Cr VI) does not exceed the limit value of 100 mg/kg.

Based on the manufacturing practices and the available information, no PFAS or heavy metal content of the raw materials used is used during the production process, and no circumstances are known that would affect the compliance or the PFAS or heavy metal content of the raw materials used.

Based on the above, we declare that the product covered by this declaration complies with the requirements set out in **Article 5(4) and (5) of Regulation (EU) 2025/40** of the European Parliament and of the Council (Packaging and Packaging Waste Regulation – PPWR).

This declaration has been issued on the basis of the supplier's conformity documentation, technical information available at the time of issue, as well as the manufacturing practices and traceability system.
