

**DECLARATION of conformity with the requirements
of Article 2025/40/5 regulation and
of REACH directive (1907/2006 EC) and
POP Regulation (EU) 2019/1021
for plastic parts**

Nordtek Imexco Kft. hereby confirms that according to the best of our present state of knowledge the below mentioned products do not contain PFAS* as well as heavy metals (sum of Lead, Cadmium, Mercury, Hexavalent Chromium) intentionally.

According to our suppliers' statement PFAS as well as heavy metal ingredients are not intentionally used in the manufacturing or the formulation of their material and their company fulfils the requirements of regulation (EC) No. 2023/2006 on good manufacturing practice for materials and articles intended to come into contact with food as long as our products are within the scope of this regulation. Particularly the traceability requirements are fulfilled for our raw materials and products.

During our production process we do not use any additive, we make only injection moulding/blowing of the components according to the producers' recommendation and we do not change the chemical composition of the raw materials and components.

However, the materials or the products were not tested for PFAS as well as heavy metal chemical substances.

The information included in this document regarding to materials and colorants has been obtained from our suppliers. It is accurate at the time of publication and to the best of our knowledge.

Note:* PFAS means any substance that contains at least one fully fluorinated methyl (CF₃-) or methylene (-CF₂-) carbon atom (without any H/Cl/Br/I attached to it), except substances that only contain the following structural elements: CF₃-X or X-CF₂-X', where X = -OR or -NRR' and X' = methyl (-CH₃), methylene (-CH₂-), an aromatic group, a carbonyl group (-C(O)-), -OR'', -SR'' or -NR''R'''; and where R/R'/R''/R''' is a hydrogen (-H), methyl (-CH₃), methylene (-CH₂-), an aromatic group or a carbonyl group (-C(O)-).

Nordtek Imexco Kft. hereby confirms that according to the declaration of raw material and component suppliers, the materials that are used in production process of the parts mentioned in Table 1. do not contain any of the Annex XIV. substances on the Authorisation list or Annex XIV. candidate chemicals proposed to be Substances of Very High Concern for Authorisation above the 0.1 % threshold as stated in REACH (Article 57, Regulation No. 1907/2006) determined either through

(i) non-use of the substance, (ii) mass balance calculation, or (iii) specific testing. Sub-suppliers' declaration is attached.

The current list of all SVHC's can be found at ECHA website link listed below:

<https://www.echa.europa.eu/candidate-list-table>

During our production process, we do not change the chemical composition of the raw materials and components, there is no adding of any SVHC, we make only injection moulding of the components according to the producers' recommendation.

Nordtek Imexco Kft. hereby confirms that according to the declaration of raw material and component suppliers, the materials that are used in production process of the parts mentioned in Table 1. do not contain any of the chemicals restricted by ANNEX I – IV. of regulation (EC) No 2019/1021 (of 20 June 2019) on persistent organic pollutants and its amendments: Regulation (EU) No 2015/2030 (of 13 November) and Regulation (EU) No 2016/460 (of 30 March 2016).

According to this fact it is not reasonable to expect any of such substances to be present in this product. However, this product has not been tested for presence of above mentioned substances.

ID	Int name	Product name
1-1-1-01-59	GL18 garz. kupak + 0,5/1,4 csepi, fehér	GL18 cap assembled with dropper
